Mr President of the TRAN Committee,
Dear Brian,

Following the EMTA-CENTRO conference "Transport and Economic Growth – An International Perspective" of 11 November 2011 where you delivered a key-note speech, I have the pleasure to enclose EMTA recommendations to European Parliament and to European Commission.

The recommendations reflect and complete the response to the White-Paper, that I also attach as Annex 1 "EMTA's position paper on the 2011 Transport White-Paper".

I believe in a continuous and fruitful exchange with TRAN Committee for drawing the best European Transport Policy towards a sustainable mobility that supports economic growth of our metropolitan areas.

Sincerely yours

Hans-Werner Franz
President of EMTA
